# MEET OHARA 'The Cat-Like Keeper.'

MIKE O'HARA, that great goalkeeper with a leap like a cat, is back in top form with Prahran Slavia and he's aiming for a job as State keeper.

If Mike has his way he'll get the job — and the way he's playing he deserves it. Just take a look at Slavia's figures. They're very imposing.

Their defence — and their keeper — have proved they are the best in the League. No other club has such a fine record — four goals in their net in nine games!

As well as Mike, the club has full backs Jim Tansey and Jim Train, and three of the best mid-fielders in the business — Jim Campbell, Steve McCoombe and John Howie.

We know a good defence doesn't win games, but Slavia have sizzled this year under the astute coaching of Johnny Sanchez and his assistant Kaz Kowalec. What a great combination they've produced.

In nine games Slavia have won seven, drawn one and lost one with 15 goals scored and only four against. The only team to knock them off was Hellas in a real thriller at Olympic Park — and this by the odd goal.

O'Hara has only played in six games for Slavia this season. He had to fight his way to the top to prove that he was a better keeper than Lou Ivanhoff but in the six week's Mike's been in goal, he's let in two.

O'Hara came to

St Kilda from English club Swindon Town. He played with Hakoah for two seasons and then was out of the game for a year "because I asked for more money and they wouldn't pay me."

Said O'Hara: "I think I'm good enough to make the state side. I really do. If I get in the state team I'll stay in this time. I won't let the side down."

At 26, Mike says the hardest side he plays

against in State League is Hakoah and the striker he fears most is Mike Clarey. "This team creates openings out of the blue," he added.

O'Hara believes he's playing his best football now than ever before. He has had a great career being the youngest goalkeeper ever to play in English League. This was when he turned out for Luton Town in second division at the age of 15-and-a-half years. He has also played for Bournemouth.

As a boy he played for Ireland Schoolboys. He received three caps when he was 14, against Scotland, Wales and Northern Ireland.

O'Hara is one of Australia's most colorful goalies. He provides plenty of action on the field and gives the fans value for money.

Mike says his concentration has improved 100 per cent and he gives great credit to Kaz Kowalec for the way he's helped him achieve this.

If there is any player in the League who is heading for State honors, O'Hara must be in the running for his fine saves in Slavia's goal during the past six weeks.

His long blonde hair has become a popular sight on GTV9's "Live Soccer" on Saturday's.

**LOOK OUT** for a new Juventus! That's the warning from club secretary John d'Andrea.

"Our main aim is to be in the top four," he told me yesterday. "We hope to recover some of the big money we have spent in building our team."

"For instance we bought one of the greatest forwards ever produced in Victoria — Billy Vojtek from Croatia-Sydney. He will be play-

ing for us against League pacesetters Prahran Slavia at Olympic Park, on Saturday.

"Looking to the future we hope to have our own

ground eventually possibly to share with another club.

We are keeping negotiations secret. We are doing this because we do not want any interference from footy — not soccer.

"We have a very strong committee and we

are getting new blood in all the time. I believe we should have full-time secretaries and full-time coaches and managers in the State League. This I feel should be one of the League's conditions.

"I think our great coach Manny Poulakakis has been very unlucky. He's had five players

injured which didn't help.

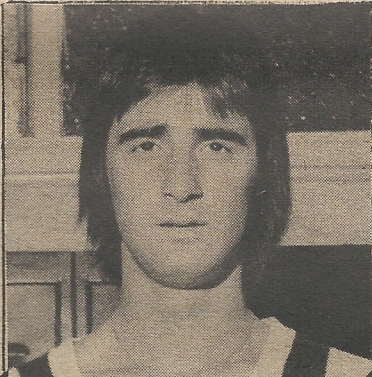

"We feel Vojtek will be the big inspiration to Juventus. We hope that the opposition will concentrate on Vojtek and let the other players score. We don't mind who scores — Vojtek or even the goalkeeper. But I think immediately all

the opposition will surround Vojtek.

"The Italian community are coming back to soccer. We started to move when we brought Apia here from Sydney early this year. It was not a great financial bonanza, but it brought a lot of people back to the game. "From time to time

we are having functions to encourage businessmen to the game.

"Mr Paul Mirabella, our president is a great leader and the club has no financial problems. He is building a new image for the club and the future looks good for us," said Mr d'Andrea.

Claude Lucchesi, winger.

# LEN STONE'S METROPOLITAN GOSSIP

METRO  
By LEN STONE

**FRANKSTON CITY** defeated Box Hill 2-1 at Wembley Park and had it not been for the brilliant display of Box Hill goalie Bauer, the score would have been higher.

Peter Avent and Gordon Clamp scored for Frankston while Donald Brownlee was the Hillmen's goalgetter.

Brownlee played well for Box Hill and as Ted Colar Frankston's very fair-minded press officer told me, Harold Bauer in the Box Hill goal was the man of the match.

But Ted also had much praise for Frankston's David Johnstone, a great player who had a fine game in mid-field.

\*\*\*

**KEILOR CITY** have struck a bad patch. They lost again, this time to Western Suburbs 2-1, but still hold on to third place on the ladder.

\*\*\*

**ESSENDON LIONS** continue to improve and this week they did it at the expense of Green Gully with a 3-1 win that was full of merit.

c\*\*\*

**ST ALBANS** went down on their home ground to Albion Rovers. The final score in a close game was 2-1 and Jim McMinimie who cost the Rovers \$550 plus a reputed \$250 signing on fee when he transferred from Frankston, is settling down well with Albion Rovers.

\*\*\*

**SUNSHINE CITY** retained their position on top of the ladder with a fine 1-0 win over Preston in the most important Metropolitan League Division One game of the round.

Both teams produced some excellent soccer before a large crowd at Sunshine.

Kazi Piotrowski scored the all important goal which came as a result of this players quick thinking.

He saw an opening and promptly scored with a tremendous shot that was deflected into the net off a defender — but it was a goal all the way once he connected with the ball and came during an exciting first half.

Sunshine were well served by keeper Billy Johnson and the reliable Steve Kokaska.

After the game, City's committee man said "We wanted to win this one. We always felt Preston would be the most dangerous team in our quest for the championship this year."

Well they did it and retain their lead on the top with one point over the strong Altona City outfit.

\*\*\*

**ALTONA CITY** may be the team that could stop Sunshine City from winning promotion to the State League and with only one point between them, it's anybody's guess.

**ALTONA CITY** went to Yallourn and had an easy 3-0 win over the Gippslanders.

So the shadow of relegation deepens over Yallourn and one of the players who had a big hand in the proceedings was Altona's Ian McLeod who helped Doug Barber who scored in the 17th minute and David Cooper, the scorer of the second goal in the 27th minute.

Nat Little made sure with a third goal after 65 minutes.

\*\*\*

**IN THE** Second Division, Waverley City retained their lead when they defeated Prahran City in a convincing away win.

\*\*\*

**CROYDON CITY** could only manage one point against a tenacious Dandenong, at home in a scoreless draw.

Richmond had a sound away win, defeating Ringwood United 4-1 and Princess Park lost at home 5-1 to Ferntree Gully.

North Carlton surprised by defeating Newport 3-1 away from home.

Springvale and Moreland drew 0-0 though the game was much better than the score suggests.

\*\*\*

**AN ERROR** Last week linked Coburg's accomplished defender Arthur Bolton with Eltham. Actually it was Eltham that praised Bolton's ability as did a good friend of mine, a prominent referee who prefers to remain nameless.

In fact, Coburg have two very able and reliable defenders in Arthur Bolton and Bernard Yearsley and both were quite outstanding in Coburg's good 2-1 away win to Brighton.

It must have been a disappointing start for Bobby McLaughran the former playing coach of Preston.

Goal of the match was Coburg's second, scored by Jim Monroe from a brilliant cross by Alan Lenders in the 85th minute of the game.

\*\*\*

**IN DIVISION** Four, exciting Doncaster Rovers, one of the best administrated clubs in Victoria, lost their second home game in a row.

The Rovers went down 1-0 to Bell Park with a goal from Ron Brown.

Doncaster sadly missed their three dynamos, John Reilly with torn ligaments, Bill Boemm and Geoff Clarke with broken legs, which is quite a blow to any team.

There is also plenty of interest in the Provisional League where Geelong lead with 23 points.

They are followed by Werribee on 17 points.

No less than four teams are next with all on 16 points.

They are Langwarrin, Fawkner, Frankston Pines and Morwell.

Results are as follows:

Fawkner v Hamlyn Rangers 1-1; Frankston Pines v Carlton 6-0; Melton v Werribee 1-2; Central Altona v Morwell Falcons 1-4; Geelong v Langwarrin 4-0; Nunawading v South Dandenong 6-0.

\*\*\*

Another shock result in the Third Division was Heidelberg's 4-1 win over Eltham. Dovedon easily defeated Corio 4-0 and Bayswater thrashed Caulfield City 5-0.

Ballarat lost at home to Essendon City with the final score being 3-2.

Chelsea went down 1-0 at home to Park Rangers.

\*\*\*

Division Four results as follows:

Sandringham v South Yarra 6-0; Monash University v Clayton 2-2; Melbourne University v Rosebud 1-0; Broadmeadows v Moorabbin 3-2 and Mornington v East Melbourne 0-2.

\*\*\*

Provisional League Russell Murray, one of Nunawading seniors' top players, has resigned from the first team to concentrate on coaching the Nunawading junior teams.

All three players are on crutches and everyone wishes them a speedy recovery from their severe injuries.

There was much excitement in their Reserve game which Rovers did win, 3-1, as anticipated.

But what was exciting and of interest in this encounter was the good form of former JUST star and Austria coach Mlenko Rusmir who, of course, two weeks ago was still coach of Keilor Austria several weeks ago. He scored once and the other two came from prolific goalgetting Martin Van de Maat.

I understand Rovers Under 16 lost their first game of the season when Rosanna defeated them 3-0.

From Rosanna's point of view this is quite an achievement against the club with one of the best junior set up in the State.

# AMBASSADOR LES

By JOHN MARTIN

**LES SHORROCK**, one of the most dynamic personalities in the Metropolitan League, has proven that he's not only a talker but a doer.

Les, the Brighton and Metropolitan League team manager, has a record which speaks for itself.

His knowledge of the game on the playing and the administrative side cannot be doubted by anyone.

Les, as manager of the Metro League, is a splendid ambassador for the game.

He has organised the metro 11 into a well-knit team in taking them around Victoria to spread the gospel of soccer.

His success in beating the Latrobe Valley representative side 6-0, was a fine achievement.

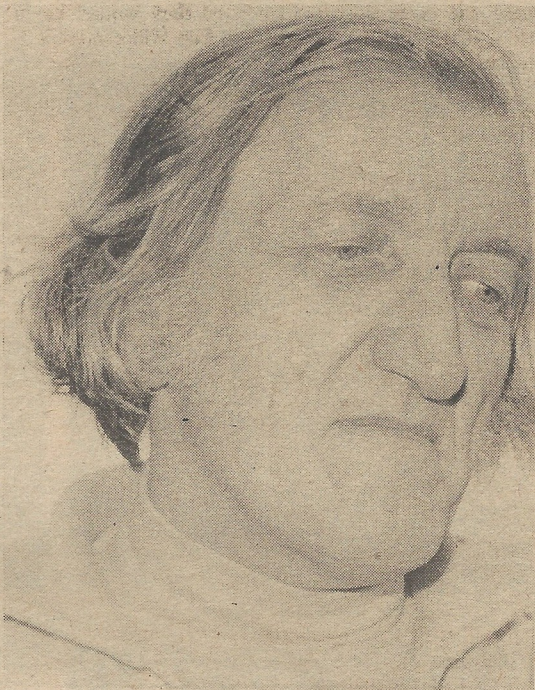

With the resignation of

John Barclay as Australian team manager and as an official of the Australian Soccer Federation, Les Shorrock would be the ideal choice to replace him.

I hope that Shorrock will get the support of the play politics and not support him because he's a Metro man.

The ASF can do with a man of Shorrock's calibre.

Don't be surprised if the Socceroos take the field in their next international game under new management — Les Shorrock.

# FITZROY TO WIN AGAIN

FITZROY UNITED ALEXANDER proved they were the great side they boasted they would be in 1974 when they beat Ringwood City Wilhelmina 3 0 at Ringwood, on Sunday.

But will they prove to be as good against a strong, hard-hitting Polonia at Maribyrnong this Sunday? That is the question.

I think they will mainly because they have found the answer to their goalscoring problems. Apart from "Zorba" Gibson (six goals this season) they have discovered a new boy — Grank Donachie.

Last Sunday he hammered in two goals and a lot more will come off his boot this season.

He worked well with George Gillan last Sunday and the pair were a very formidable spearhead.

Gibson, Gillan and Donachie could be the trio to stop South Melbourne Hellas' run at Middle Park on July 28 — the game which should prove to be the match of the year.

At the moment only a fool would attempt to forecast the result of this one. I will reserve judgment until the week before the game but at the moment both teams seem equal.

Mike de Bruyckere, the old fox of Melbourne soccer has the job in front of him as coach of Polonia Maribyrnong to beat Alexander. Home ground advantage could help.

Another interesting duel will be at Middle Park between Hellas and Juventus where the South Melbourne side should take the honors with the strongest forward line in the state.

Jimmy Armstrong is at his brilliant best and so too is the forward with the unpronounceable name — Nick Nechvoglod (four goals this year). A great pair who should give this match a big shake.

Poor old Juventus! Last week just when they looked like winning their first game after five weeks of defeat they lost star recruit Billy Vojtek with a collar bone injury.

I can't see Juventus winning this one unless there is a rapid change from their soft style of play. Coach Manny Poulakakis said last week the side was "too soft". Only a new approach, a tough, hard tackling game will give them the points here against the side which looks favorites to win this year's championship.

Footscray JUST will be at home on the Schintler reserve paddock to Keilor in a game which will be on the side now that JUST have their World Cup stars back — Buljevic and Milisajevic. Pity the spectators if it's raining! Last Sunday was a real shambles at this ground with cars parked everywhere like a busy day in Bourke Street!

Hakoah St Kilda — the problem team because of a few hotheads in the side — will have to keep

their cool against Ringwood City otherwise the referee will be sending another man for an early shower at Middle Park on Saturday.

Despite their problems, which I'm sure Sam Meyer can iron out, Hakoah, the team with the strength should win.

Ken Kontra, Ringwood's coach is doing his best with the side but it is not good enough to gain the two vital points required to lift them on the ladder.

George Cross will make amends for their narrow loss to Footscray JUST last Sunday and beat Mooroolbark, at Esther Park, on Sunday.

Brian Edgley, the Barkers coach who runs everywhere with little assistance from his teammates, will find Paul Murphy Frank McArdle, Frank Mifsud, Kevin Kelly and Johnny Gardiner too much for him and his lame dogs.

The Barkers came into the big time early this year full of promise but their seven points in 10 games is not good enough to say at this time of the season that they are safe from relegation. A much improved effort will be required to lift them from the danger zone. This is one game they are not likely to win.

Melbourne have improved so much under the coaching of Alistair Scott that the side has taken on a complete new look. Two wins in a row against strong teams means we are going to see a lot more action

from Melbourne in the next few weeks.

Prahran Slavia with the strongest defence in the League led by Jim Tansey and Steve McCoombe will have a hard game at Olympic Park on Sunday. Watch for a shock result in this one.

**MY TIPS —** Hakoah, JUST, Hellas, Slavia, George Cross, Fitzroy United.

And for those who live in the Western Suburbs a good game on Sunday will be Altona City v Sunshine City at millers Road.

Both teams are on top of division one and leaders Sunshine are no certainties to win this.

My tip — Altona City.

# SOCCER GOSSIP

**BORONIA** Soccer Club will hold their first annual meeting at Boronia High School, on July 25, at 8 p.m. Fred Fairburn, their active publicity officer, says they hope to play in VSF competition next season.

\*\*\*

**TOP GOALSCORER** in the State League this season will receive a \$100 award from Michaelis Bayley Trading Company. The award will be known as the "Mikasa Top Soccer Award". Mikasa is the trade name of soccer balls distributed by the company. This organisation has already given away many soccer balls at GTV9's "Live Soccer" series.

\*\*\*

**RON BROWN**, of Bell Park, was responsible for Doncaster Rovers' second defeat at their home ground this season when they went down 1-0 to the Geelong side. Doncaster were in trouble with three serious injuries — Bill Boemm and Geoff Clarke both out with broken legs, and John Reilly (leg injury).

\*\*\*

**MANNY POULAKAKIS**, Juventus coach, said after the Juventus-

Slavia game at Olympic Park, on Saturday: "We can't cope with physical sides. We are too soft. Everybody likes to play us because we are too soft. Skill is not enough. We need strength. There is no scientific soccer any more in Victoria. This is the first time in my career as a coach that I've had five defeats in a row. We can't click. We've had injuries and so much bad luck. This team and myself just don't clock. I don't know what's wrong. We have a good committee. I'm a very worried man." Juventus went down 3-0 to Slavia in a one-sided game.

\*\*\*

**BILLY VOJTEK**, the new Juventus striker who received a right collar bone injury at Olympic Park, last Saturday, is not expected to miss more than one game.

\*\*\*

**MELBOURNE** Soccer Club is upset because they can't play junior games as curtain raisers to League games at Middle Park. Junior secretary Leif Jensen wants to see a better deal for the youngsters he has under his care. He has two fine under 10 and 12 teams which he says should be encouraged to play in

front of a big crowd. It's about time the Albert Park Trust took more interest in these kids who are the stars of the future. They certainly won't do any harm to the pitch and it could help bring a few more fans through the gate. What about it Mr Burke?

**JUVENTUS** forward Dino deMarchi put his hands up to his eyes after referee Lou Hemmes gave a decision at Olympic Park on Saturday. Seconds later Dino received his marching orders! Our referees are certainly tough these days.

\*\*\*

**MELBOURNE** juniors have asked Minister for Sport Brian Dixon and the local council for a new light pole so that their many juniors can do more night training on their Elwood Reserve ground.

\*\*\*

**TWO** teachers — one from Canada and another from England — have started a soccer club in the country town of Colac. Last Wednesday soccer writer Fred Villiers was the guest of the Colac Sports Club when he addressed 73 men representing 62 sporting bodies. He spoke for a half an hour about the progress of the sport in

Austria and his audience asked questions non-stop for three hours!

\*\*\*

**THERE** is a bonus for State League fans again next Sunday when four games will be played — at Olympic Park, Middle Park, Mooroolbark and Maribyrnong. The two Saturday matches will be at Middle Park and Footscray Road ground.

\*\*\*

**JOHNNY SANCHEZ**, Slavia coach, said his team were not the best on Saturday even though they won. "They played like a reserve side," he said. "I don't agree with Juventus. We are not rough. We are a hard side. If they can't take it they might just as well go off to the kindergarten."

**IAN HUMBLE** was taken over from Bobby Kent in the goalscoring business for Slavia. Ian scored two against Juventus last Saturday and this puts him on five for the season. Ian said he did a lot of running on the wing to get his goals and was disappointed with Juventus — "I thought they were a better side with some of the big names they have," he added.

**JIM TANSEY**, star Slavia mid-fielder, said after his 35-metre goal at Olympic Park on Saturday "when you've hit one of those shots you know where it's going. I was really pleased to see that one go in. I hope to get one like that every week." It was one of thybest goals scored this season at the Park hitting the inside of the cross bar and crashing in.

\*\*\*

**SOCCER** was played in shocking conditions last Sunday particularly at Ringwood and Footscray. The Schintler Reserve ground was a real test for the spectators as there was no cover. We felt sorry for the players who splashed in the wet and referee Jim Dixon with linesmen Howard Phillips and Andy Karon. They deserved a medal for a fine effort under such shocking conditions.

**CHARLIE PISANI**, George Cross club steward and his wife, should be complimented for all the hard work they put into the club, particularly Mrs Pisani who makes those red and

white shirts absolutely clean every week.

\*\*\*

**DAN ZORAJA**, one of the most prolific goalscorers in the game last year, netted his second goal of the season for Footscray JUST on Sunday.

\*\*\*

**KEVIN WOLOHAN** Played his first game for George Cross on the wing on Sunday but he was taken off at half time. Kevin, 23, played in England in the Cheshire League.

\*\*\*

**FRANK DONACHIE**, new signing for Fitzroy United Alexander, is making a name for himself as a striker. Last Sunday at Ringwood he banged in two of his team's three winning goals against City.

\*\*\*

**MARIAN CIVEJIC** did a good job when he replaced Footscray JUST's injured goalie Jim Milisajevic, on

Sunday. Civejic, a spectacular goalie, looks extremely fit.

**KEN PATTERSON**, George Cross coach, said after his team went down to Footscray JUST, on Sunday: "We didn't take our chances — they did. JUST Made more use of the ball — that's why they won. McArdle tore their defence apart."

**JIMMY MILISAJEJEVIC**, Footscray's goalie, had to be taken to the doctor for an X-ray after his game with George Cross, on Sunday. He had recieved a kick in his left leg in a goalmouth scramble.

\*\*\*

**FOOTSCRAY JUST** were a much better team with their two World Cup players back in their side on Sunday — Milisajevic and Buljevic. It was their first win for four weeks.

It is players like O'Hara who are needed to kick the round-ball game on in the State — and he is certainly playing his part to give the sport the lift it requires.

Mooroolbark goal-keeper keeps Manso (Melbourne) off the ball.

## WOMEN'S SOCCER/BY FRED HABBE

By FRED HABBE Dandenong 2 — Bayswater 3

In a major upset Bayswater, not having won a game before this season, came home strongly to defeat top team Dandenong by three goals to two in last Sunday's Association quarter final encounter.

Sandra Sheedy, also an ace hockey player, slammed home a hat-trick. Bayswater, unlucky on several previous occasions deservedly won the match.

Best for the winner, Sandra Sheedy, Ruza Dunning.

Werribee 0, Green Gully 0 — after extra-time.

At Werribee a mud battle took place that went into a marathon.

In bitter cold rain and slippery ground conditions both teams failed to score at the end of full-time.

Two penalties, one to each side within the first five minutes of the match were brilliantly saved by keepers Sue Parker for Werribee and Rose Sammut for Green Gully.

The match will now be re-played at Green Gully next Saturday, 2.45 p.m.

Melton 3 — Greensborough 0

Melton, adapting much better to the horrifying ground condition, reached the semi-final of the Association Cup with an easy 3-0 victory over the disappointing 'borough.

Repco Clayton 0 — Doveton 3

After beating Doveton in their League clash the week before, Repco Clayton took things a bit too lightly and promptly crashed by three clear goals.

**DONCASTER ROVERS** Nil — **BELL PARK** 1 Metropolitan League Division Four.

Rovers retained their top position even though they went down 1-Nil to second placed Bell Park at Donvale Reserve on Saturday.

The sidelines looked like casualty ward at Box Hill Hospital with three senior players on crutches looking

on.

Doncaster started at a great rate and attacked strongly for the first 20 minutes but to no avail. Rover Gerry Van De Maat came off second best in a penalty area clash leaving him with a gashed cheek and a beautiful black eye.

At the 30 minute mark Doncaster's keeper fumbled a loose ball which was quickly rammed home by Bell Park's Ron Brown.

Bell Park packed their defence and no Doncaster forward was given room to shoot for goal even though the pressure was on for the rest of the match.

The reserves went five points clear at the head of their table with a 3-1 win over Bell Park, even after missing two penalties.

## CROYDON CITY 0 — DANDENONG 0

Metropolitan League Division Two

In a hard, bruising game in which play saw-sawed from end to end, Croydon City and Dandenong fought out a nil-all draw on Saturday.

The large crowd were treated to some fine attacking football.

Both teams opened cautiously and each gradually stepped up the pace with Lowen playing his slow but consistent pace for Dandy.

Holcomb and Stanway were alive and full of spirit and combined to create havoc with Croydon's defence at times. Ex-Dandenong man, Joe Bray, was a mainstay for Croydon, repelling many of Holcomb's and Stanway's attacks.

# ON-SIDE

WITH STEPHEN KALUS

**THE MAGIC TOUCH** of Alistair Scott has done it again! Since taking over a fortnight ago as playing coach from John Shwanner, Alistair has lifted Melbourne from 11th position on the ladder to seventh.

Scott, one of the oldest players in the Rothmans State League competition, has to be regarded as one of the finest "imports" ever to come to Victoria. It is amazing to see the veteran moving freely on the ground and usually on top of his opponents whether in defence or in the attack.

**KAZ GORSKI**, the Polish national coach, maybe not as good looking as Rale Rasic, the Socceroos coach, but he is regarded as the top soccer coach in the world. He received lucrative offers from Jugoslavia, Argentina and many other countries, but Gorski had to reject them all as he was appointed coach of the Polish team for the next four years before the World Cup finals.

**SHAME ON YOU PHIL HAMMOND!** You spoiled Hakoah's wonderful record being the first player in five years to be sent off.

**WATCH OUT FOR SLAVIA's** top striker Ian Humble. He's in a good scoring mood and can take out the prize for the State League top goalscorer.

**WHEN WILL OUR PLAYERS** learn that the referee's decision can't be disputed. Viewers of last Saturday's GTV9 televised game Slavia-Juventus could see players often arguing with the whistle men. European players whenever cautioned by the referee immediately stand at attention.

The enthusiastic secretary of the club Ken McMullin is proud of the performances and progress of his teams. He was particularly happy when he was informed that his first year player 15-year-old goalkeeper Garry Wynne was selected in the Latrobe Valley representative team.

**THE 1974 WINNER** of Rothman's State League competition will receive a cheque for \$3,000. Runners-up cheque will be worth \$1,500 and the third team will receive \$900. There will also be cash prizes for the winners of Rothmans State League Cup. The first team will get a cheque for \$2,000 and the runner up \$1,000.

**IT'S ALL OVER!** West Germany the host team of the 1974 World Cup finals won the World Cup beating Holland 2-1. The winner appeared six times in the finals winning the trophy in 1954, second in 1966, third in 1970, fourth in 1958 and eliminated in quarter-final in 1962. A great team and it was unfortunate for the Socceroos that we were drawn in group one with the World champions.

If you are a Metropolitan League Club, you will, by the League rules carry the name of the City or District you play in.

When you play are you representing your City or District or are you one of those Clubs who carries the name only because the rules require you to do so?

Unfortunately it appears far too many clubs fall into the latter category, and if our game is to survive, these clubs must change their attitudes.

Soccer is a minority sport and what little support we get is drawn mainly from migrants. The amount of support is way out of proportion to the size of the migrant population and this seems to be due to two things - either the draw of Australian Rules or because of the attitude, only too prevalent, that Australian Soccer is rubbish and soccer is still thought of in the context of the country of origin.

We have to find means of making the game more attractive to these defectors, it is essential that a civic pride in the towns soccer club is developed.

This can only be done by good public relations, publicity, improvements to spectator facilities, a willingness to become part of the corporate structure, and - I'm afraid to have to say it - the elimination from the Metropolitan League ranks of those clubs who are only interested in playing, very often very well, for a small insular group of people.

Effectively the "social" game club. These inward looking clubs could well be places into a competition of their own, maybe using a similar set up to South Australia which has such a competition.

It is not unusual, when with my club - Frankston City - and playing away, to find that the number of supporters, of my club at the game, exceeds the number of home supporters and we could do with better support.

Standards need to be set higher for clubs entering and staying in the Metro. League, and an additional factor must be added in that the place of the club in relationship to its community must determine the suitability of membership.

Set out now to bring the Club's name to the fore in the resident's thinking, get them to talk about Brighton and Doncaster and mean the local teams, not Brighton and Hove Albion or Doncaster Rovers. Until we can achieve that and believe in it ourselves, the Australian Soccer game will make little, if any, progress forward.

Peter Goss,  
Frankston City

## CROYDON 0 - DANDENONG 0

Croydon took their unbeaten run to 11 matches when they drew 0-0 with Dandenong.

Croydon started off in whirlwind fashion and Dandenong were immediately pushed back on defence.

The first chance of scoring came to Jimmy Wyllie and from a good position shot wide Croydon just kept up the pressure, but Dandenong defence just kicked anywhere and one felt that the defence would crack under constant attack from Croydon.

Lou Flood came charging in and out - a terrific shot over the bar. Frankie Butt just headed wide with a little bit of steadiness in front of goal.

Croydon could have been two goals up. Half time came with Dandenong very lucky to go in with a clean sheet.

In the second half it was the same old story. Dandenong with the occasional break-away came up against Tony Alsop in great form. Joe Bray moving into attack unleashed a terrific shot just wide from a five-man movement. Jimm Howie had a great chance to put Croydon ahead, but he miskicked a very lucky let off for Dandenong.

Croydon tried all they knew to score, but to no avail. They will have to take their chances if they want to continue their promotion challenge.

## FORD FALCONS v CARTRO

Division 3 Metropolitan Industrial League

Despite shocking weather conditions over 400 people attended the match of the week between the two giant teams heading the Third Division at Ford Soccer Ground, Corner Sydney Road and Barry Road, Campbellfield.

Loose defence and late withdrawal of regular goalkeeper cost the Ford Falcons the match by 3-0.

Cartro has definitely established themselves as one of the best team in the Industrial League.

Their team spirit and machine-like forward line certainly provides a treat for spectators.

It will be a real challenge for the Ford Falcons when they meet Cartro again on Sunday for the LGE Cup.

## A DAY OF PUZZLING RESULTS

**FIVE-TIMES** nap-hand winning scores, favorites crashing en-masse, first win to Tarax, first point to Lorimier, McColl regaining lead in first division and Ericsson in Second Division and Cartro in third comfortably defeating their nearest challengers, were the main points of a most entertaining 12th round.

The details: Repco Clayton, Repco Richmond and Tarax in First Division and Ericsson and Public Works in Second all trounced their respective opposition by winning scores of five goals each. With the exception of Repco Richmond and Ericsson one would have expected results rather the other way round.

### Repco Clayton 5 - Bosch 3

Bosch's stay at the top of Division One was short-lived. The Red and Whites ran into trouble against neighbors Repco Clayton.

In a high-scoring match Repco took the initiative from the start, rattling the favorites and never allowed them to settle.

Two goals by Joe Mori, one each by Steven Fus and Jo Rahjer and an own goal contribution by Bosch made Repco a comfortable winner. Bosch goals were scored by Bonowski, Stoilovic and Bozic.

If VSF secretary, George Wallace, who was a spectator at the match expected a treat by Bosch he must have been disappointed.

### Tarax 5 - Dulux 2

The Kingford Merit Award, won by Tarax last week, seemed to be the type of inspiration the side needed to pull itself out of a rut of lost or drawn games.

Backed up by a tight composed defence Tarax settled into a magnificent team work against giant killers, Dulux to win convincingly by five goals to two.

Dulux missed chances at the start but lost the initiative later on.

For the winner Power and Cirkovic scored two-a-piece, Adamovic one, and Jackson and Broder got the two consolation goals for the loser.

### Ericsson 5 - Siemens 2

High hopes by Siemens of inflicting a possible defeat onto the Second Division title favorites, Ericsson, nose-dived when keeper George Xenos, normally the back-bone of the team, was caught by surprise twice early in the first half to let easy looking long-range drives by Ericsson striker, Dennis Ferguson, slip past.

Ericsson, showing weaknesses in defence, held on to the two-goal lead by half-time. Defensive blunders gave Ericsson two more goals before Siemens notched two consolation goals after the interval.

Ericsson proved its superiority but won by too high a margin. Siemens, despite the early set-backs matched the leaders in many compartments and were unlucky not to score a higher tally.

### Repco Richmond 5 - Kodak United 1

Repco Richmond got into full gear when trouncing last year's runners-up, Kodak United at Fawkner Park by a nap-hand to one.

Lethal striker, Andrew Katnic again hammered two balls past Kodak keeper, Vince Borg and Bob Ousey, Jim Christoff and Bert Kelly did the rest.

Full-back Chris Petrov, linkman Bob Ousey and the dynamic Brian Hill starred in a side where no one could be faulted on the day.

Ray Langdale was missing for Kodak.

### Public Works 5 - VRI 1

A second half collapse by the Sleepers (half-time score 0-1) allowed the Public Servants to ram in five goals with the sole reply by the Railwaymen coming from a penalty.

Gregoriou (2), Semini (2) and Cole scored for the Works. Keeper Rick Lavale, Semini and Doolan earned marks for best on the ground.

#### Top goal scorers:

Division 1: Andrew Katnic, Repco Richmond 2, 19 goals; Milan Stoilovic, Bosch 1, 12 goals; Jo Rahjer, Repco Clayton 1, 10 goals.

Division 2: Brana Basic, Ericsson, 12 goals; Nick Tanner, VRI, 12 goals; Paul Phillips, Good-year, 11 goals; Eric Toombs, Patons Brakes, 11 goals.

Division 3: Mladen Mutic, Ford Falcons, 23 goals; Stan Hildebrand, Cartro 1, 21 goals; Kaz Kowalek, Cartro 2, 15 goals; Malcolm Dean, Vickers, 10 goals; Joe Keenan, Wills, 10 goals.

(Figures state goals scored last Sunday.)

### Kingford Merit Award for Round 12 to go to Wills

Joe Keenan's side failed to make an impression in the early part of the competition. But the results in the last few weeks indicate that the team has at last settled down.

Sunday's 4-1 victory over highly regarded Lysaght gave Wills an undisputed third rank on the ladder. Let's hope the sponsors of the Kingford Merit Award don't mind this week's selection.

### Adidas Cup - Quarter Finals - Preview

The clash of the day will be the encounter between the Third Division star-teams, Ford Falcons and Cartro.

The match will be played on the Ford ground in Broadmeadows and is certain to draw a crowd in excess of 500.

The Falcons, badly handicapped by the casualty of brilliant keeper, Harry Mastorakakis, went down to Cartro by three clear goals in a League match last Sunday, and will have the job ahead of them.

With Mastorakakis unlikely to play, all but a win to Cartro would come as a surprise. The Poles haven't lost a game yet and are determined to feature in this year's Adidas Cup final.

In other matches Ericsson looks much too good for Third Division side Wills. Like Cartro yet to lose a match this season, Ericsson will prove much too powerful for the cigarette-men.

The clash between VRI and McColl also must be regarded as a foregone conclusion. The Sleepers have badly disappointed their supporters over the past week's after a magnificent start into this year's season.

McColl with their confidence riding high after conquering top position in the First Division will show no mercy with the Railwaymen in their bid to successfully defend the Cup.

Bosch despite a demoralising defeat in last week's round are far superior to the inconsistent Second Division side of Patons Brakes and should advance to the semi-finals with a comfortable win over the brake-people.

My tip for the semis: McColl, Bosch, Ericsson and Cartro.

## LEAGUE CHATTER

Best wishes for a speedy recovery go to AWA-Thorn secretary, Ted O'Leary. Ted suffered a heart-attack and looks like missing a few week's at work and at soccer.

\*\*\*

Ford Falcons received a full-scale coverage in the "Australian" last week. The report, besides featuring a picture of keeper Harry Mastorakakis bringing off a brilliant save in Ford's match against ANZ Bank, dealt in length with the unique set-up of the magnificently organised club.

At Ford's thousands of dollars have been poured into the club. Supported by Broadmeadows plant manager, Don Daveson, the Falcons are proud to possess the best ground in the League, one which neighbor George Cross (Courage S.C.) has cast envious eyes upon

### HEIDELBERG 4 - ELTHAM 1 Metropolitan League Division Three

This was another poor display by Eltham and a game in which they were never able to settle down and put the home team defence under pressure.

In contrast, Heidelberg were soon into their stride and testing out the Eltham defence.

We seemed uncertain in the backline and were a goal down in five minutes. A high lob bounced over keeper Neil Barwise's head and Colin Watkins, following up, nodded the ball into the net.

Heidelberg were moving the ball about smartly and had our defence in all sorts of trouble.

But continued pressure by Eltham brought the equaliser when a delightful flick header from Les Gooney found John Rattray who made no mistake in putting it into the net.

Heidelberg again moved the ball into attack and took the lead, although a bit luckily. Attempting to clear, the Eltham keeper drove the ball into Colin Watkins' back and it bounced back into the goal.

Just before half-time the home side was again in attack and a terrific shot by David Jones from 25 metres out rock-

## VICTORIAN SOCCER HAS KICKED ON

By JOHN MARTIN

**BILLY VOJTEK**, one of the greatest forwards Victoria has ever produced, says the standard of soccer in the state has improved.

Billy should know as he's been away from State League competition for a couple of seasons playing with Croatia-Sydney.

Now back in Melbourne again with Juventus, Billy told me that clubs like Prahran Slavia could beat top Sydney teams Hakoah or St George Budapest.

"Slavia are a strong side," he said. "That goal scored by Jim Tansey against us on Saturday was a ripper. Our goalie Mike Harby didn't see it."

"All those people at home watching it on

GTV9 would have loved it but I wish they would come and watch more League games. We need support."

Billy said he was pleased to be back in his home town after all the travelling between Melbourne and Sydney each weekend for the past two seasons.

He also gave a warning: "We will give Hellas a shake next week!"

## HEIDELBERG - ELTHAM RESULTS

some creative soccer at this game.

But Eltham must be wondering what happened after leading four goals to nil after thirty minutes then struggling to hold on for the one point.

Eltham went straight into attack and were a goal up within two minutes when a miskick by Russel Baum was intercepted by Gordon McIntosh who put it into the net.

At the 20 minute mark David Jones put Eltham's second goal on the board and five minutes later Andy Lee added another.

This seemed to be the turning point and Heidelberg began to come into the game. Their first goal came from a penalty minutes before half-time and within two minutes Bruce Juby scored another.

In the second half Phil Hopkinson misheaded from a free kick and Heidelberg picked up their third goal.

Eltham still plugged away but the steam was gone from their attack and five minutes from time P. Juby put away Heidelberg's fourth and sealed the draw.

Pictured shaking hands is Peter Crawley (left) and Tony Boggi.

## SOME TIPS FOR STATE COACH

**TONY BOGGI**, Victorian state coach, was welcomed back to Melbourne from his tour to West Germany with the Socceroos, by Peter Crawley, Soccer Week's promotion manager, on Saturday.

Tony said he had gained some useful tips while watching some of the World Cup teams training and he hopes to use them when he prepares the state team for their next encounter.

Tony believes we lack skill in Australia. We have the potential and fitness but sadly lack the skill which Israel demonstrated when they beat the Socceroos 2-1 on their way to the Cup finals last month.

Tony, who lives at Templestowe, is without a club since he left Juventus early this

season. He is a gentleman coach and has said he has received many offers from Victorian and NSW clubs but will not accept half-way through the season.

His reasoning is that he wants to take a team at least two months before the season starts. This will ensure that the side is properly prepared.

Joe Plankas of Melbourne beaten to the ball.

Andy Lee, Peter Wigmore, David Jones and Cliff Harrison were Eltham's best.

### ELTHAM UNDER 14, 2 - MOOROOLBARK UNDER 14, Nil

This was a good win for the home side in bad conditions on a slippery ground and it was a credit to both sides that they tried to play soccer all day.

Play was very even for the first 15 minutes but Eltham went ahead when a long throw from Kevin Emsden found Alan Hadzic who cracked it

between the post and keeper.

The second half produced a pattern of play similar to the first with chances swaying from one side to the other. The rain kept coming down and boys had trouble keeping their feet.

Nugget Bailey made sure of the two points when he followed through from a solo effort to score Eltham's second.

Nugget, Mark Dale, Marcel Vanderslik and Stephen Bray were Eltham's best.

## SOCCER WEEK

### OPINION

REFEREES have received little respect from soccer fans in Victoria and on some occasions even less from players. But in recent weeks we have noticed a new look referee on our grounds. There has been a marked change in the refereeing of State League games by our top whistle men. Refs of the calibre of Jim Dixon, Geoff Harrison, David Yelland, Lou Hemmes and the policeman-like Roger Lamb, have in recent week's used their authority to advantage.

It is apparent that the referees of Victoria have tightened their belts and have made it known that they will stand no nonsense from players on or off the field. The refs cleaned up the game in England last season with their get-tough campaign and now it has hit Australia. Recent decisions prove our whistle men will not tolerate any cheek or ungentelemanly conduct by players. Hakoah's Phil Hammond received his marching orders at Middle Park recently. Last Saturday Dino deMarchi, of Juventus, also was told to take a shower when he raised his hands to his eyes in front of the referee at Olympic Park.

In some cases club officials get hot under the collar when they see one of their players forced to take a shower. They have to restrain themselves from abusing or throwing something at the man in the middle.

It was not many years ago when one of the federation's present board members was seen hurling stones at a linesman because he didn't agree with one of his decisions. But these days — we hope — have gone for ever.

Sanity now reigns at Soccer House, and the men there, and the men in charge of the game, are doing their best to put Soccer's house in order by keeping the sport clean.

Soccer Week is proud of the bold step taken by the Victorian referees' body. It may be tough on players and officials but this step should have been taken many years ago. If it had, the round-ball game would have been more advanced than it is in this state today.

The referees' move to clean up our sport is good. It is up to the players themselves — and clubmen — to see that they don't get in the refs' bad books. They should remember at all times that there is only one boss on the soccer ground — and that's the man with the whistle. What he says goes without question. Always!

#### DEAR SIR,

FRANKSTON PINES are delighted that State League side South Melbourne Hellas have kindly consented to pay them a visit at the end of the season.

Altona expect one of the biggest crowds ever to attend this vital match at Kim Reserve and adequate precautions have been made to accommodate all the fans which will want to see the clash.

Pines coach D. Bonar says we will give them a good game, but we are not the least bit concerned if we lose four or five goals.

The main object is to allow the soccer fans in the area the opportunity to see a top side perform and the lessons our junior and senior players can learn from them.

Yes, we look forward to this visit from Hellas and appreciate their gesture.

D. Bonar

## SOCCER with Rod Nicholson SCENE

## WRONG WAY TO WIN FANS

In soccer, times are changing, but unfortunately some things are still as ridiculous as in the past.

On Saturday, at Olympic Park, Fitzroy United, a predominantly Green-supported club, met Keilor.

On the cover of the soccer program was a picture of South Melbourne's Ulysses Kokkinos.

South are the "other" half of the Greek community soccer followers in Victoria.

Because Kokkinos was on the program cover the Fitzroy supporters refused to buy it.

I suppose that if Fitzroy's Pat Bannon is on next week's cover, the South followers will boycott it.

Soccer desperately needs super-stars to attract crowds, and one way to boost players is to put their photos on the front covers of programs.

Australian soccer has come a long way by doing well in the World Cup, but it seems that local soccer has not grown up yet... by a long shot.

#### DEAR SIR,

The high standard of play in the Springvale v Moreland gave at Ross Reserve was a treat to watch, and makes one wonder how these two teams could be placed at the bottom of their division.

Although it was a Nil all draw, there was plenty of action for the full 90 minutes, on a ground that must be one of the best in Metro soccer.

It was Springvale who should have been in front at half time when No. 8 for them waltzed past two defenders, but missed what was really an open goal. Joe Farrugie, Morelands keeper pulled off two fine saves early in the game. It was Springvale's game early in the day, but in the second half it was Moreland's turn to apply the pressure with I. Ferretter, R. Evans and J. Abbany — having Springvale's defence at sixes and sevens for most of the last 20 minutes, they conceded five corners in as many minutes.

All in all a draw was a fair result for a game that had every thing except goals, fast break-aways, good build-ups and plenty of pace.

R. Murdoch
